**S**OME people never think of God until a loved one is ill or a great trouble besets them. Then they seek the SOLACE OF RELIGION. A clergyman is called in, and prayers are said at the bedside for the loved one's recovery. God is MERCIFUL, and oftentimes these prayers are answered and the loved one recovers.

It is not fair to God, however to ask him to remember you when you have forgotten him. When everything is going along smoothly and the world looks bright some men forget there is a God. They never go to church. While they will resent the charge that they would openly offend God, they offend him deeply by not going to church. The successful man should go to church to thank God for his worldly gifts. The Supreme Being gave him all he has—life, health, happiness—and he should thank Him for them.

Thanks to the GO TO CHURCH movement, there has been a religious awakening over the land. RELIGION NEVER WAS DEAD. All that it required was a stimulus, and that stimulus was provided by the GO TO CHURCH campaign. It should not be necessary to urge men to GO TO CHURCH. There isn't an argument that can be advanced by any man who believes in God in favor of staying away from church. Take away the churches and you have a condition bordering on anarchy.

The man who GOES TO CHURCH is prepared to MEET ANY CRISES, moral, physical or financial. His faith in a Supreme Being sustains him in the most severe trials.
